Simple Wicca Michele Morgan

Wicca, a positive, Earth-based spiritual practice, is both old and new, traditional and ever-changing- and Michele Morgan has captured its essence in this small book. She invites readers to follow their hearts into a spiritual practice that has sustained ancestors from time immemorial. In *Simple Wicca*, practitioner Michele Morgan dispels the many myths that surround this centuries-old tradition, explains its main tenets, and offers interested readers the basics of how to begin to practice. While other books have been written on Wicca, none are as straightforward and easy to follow. Simple Wicca offers not only practical guidance in the craft, but also an emotional and spiritual understanding of the practice.
