Take the Cannoli: Stories From the New World Sarah Vowell

A wickedly funny collection of personal essays from popular NPR personality Sarah Vowell.

Hailed by *Newsweek* as a "cranky stylist with talent to burn," Vowell has an irresistible voice -- caustic and sympathetic, insightful and double-edged -- that has attracted a loyal following for her magazine writing and radio monologues on *This American Life*.

While tackling subjects such as identity, politics, religion, art, and history, these autobiographical tales are written with a biting humor, placing Vowell solidly in the tradition of Mark Twain and Dorothy Parker. Vowell searches the streets of Hoboken for traces of the town's favorite son, Frank Sinatra. She goes under cover of heavy makeup in an investigation of goth culture, blasts cannonballs into a hillside on a father-daughter outing, and maps her family's haunted history on a road trip down the Trail of Tears.

Take the Cannoli is an eclectic tour of the New World, a collection of alternately hilarious and heartbreaking essays and autobiographical yarns.

Lowell Bohler:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Take the Cannoli: Stories From the New World can make you really feel more interested to read.
