Sarah Martin is bored. Thanks to her father's transfer from an inner-city police division to a small-town detachment, she is forced to live in Muskoka - no friends, no mall, no life.

But when Sarah does make a new friend - Mindi - life gets considerably more interesting, as the two become aware of suspicious activity surrounding Mindi's mother's boyfriend and an old barn on his property. When Sarah discovers that the barn actually holds a dozen wild black bears, she will stop at nothing to save them from their fate at the hands of an organized poaching ring. But in her efforts, she puts lives in peril.
